TO WHOM IT MAY CONCERN

Royal greetings from the House of Oduduwa.

This year, we mark ten incredible years since I was called to serve as custodian of the sacred throne of Oduduwa. This anniversary is far more than a commemoration, it is a call for our people, both at home and in the diaspora, to gather, to remember, and to showcase to the world the strength, beauty, and timeless relevance of Yoruba culture.

In this journey, Mr Wole Akande and the SloweGanzi team have been chosen not only for their professional excellence, but for their passion, integrity, and cultural sensitivity. They understand that this is not just an event, it is a living legacy, a bridge between our ancestors and our children yet unborn.

I invite you our leaders, our visionaries, our friends, and our partners, to join hands with SloweGanzi in making this celebration an unforgettable global statement of who we are. Through your sponsorships, partnerships, and contributions, you will not only be part of history, but also an architect of its future.

Together, we will create a festival of unity, pride, and progress, a beacon that will shine far beyond the borders of Ife, inspiring hearts across continents.

I look forward to celebrating my 10 years of Ase with you, as we mark this moment of history with the world.

Thank You and God bless.
